Crucifixion and Resurrection

with Dr. Peter Gagianas, MD

A presentation on the medical aspects Crucifixion and medical proofs of the Resurrection

Like dinners of yesteryear, when the whole family sat, ate and talked together, we are inviting our greater Church family to likewise gather together, enjoy food, personal interaction and share life's experiences and dilemmas, supporting one another in our earthly journey, that has eternal life in God's kingdom as its ultimate goal.

Schedule of Events

- Brief Prayer Service
- Dinner with family and friends
- Crucifixion and Resurrection Presentation

***St. Spyridon Hellenic

Join us for another of our popular Pizza 'n Movie Matinees!

Saturday, April 14, 2018
St. Spyridon Hellenic Center

Based on the deeply moving true story of a young boy who was born with *Treacher Collins Syndrome*, a rare condition which affects the development of facial bones, "Wonder" is a movie filled with great joy and hope.

Everyone can identify with the pain of feeling mocked, isolated, and belittled. "Wonder" offers a reminder that we are all at the mercy of one another.

By the end, you will be encouraged with the message of this movie: *choose to be kind*.

Pizza 'n salad lunch at noon
