Squirrel Hill Synagogue Victims by Michelle Meisner

It all started with the reupholstering of the pews, new carpeting and tiling the middle isle of the sanctuary; then a fresh coat of paint in the downstairs social hall....

Our Parish Council may seem ambitious, but there are many repair projects that need to be kept up with in order to keep our Church looking its best and functioning smoothly. At a Parish council meeting, discussion was held regarding some upcoming and potential projects which are on the horizon to be handled within the next 9 months. However, none of these projects can be tackled without all parishioners' hands-on support through prayers, brawn, and

hard work, but also through fund raising efforts to help offset the cost of these much-needed repair projects.

Below is a listing of such projects:

1. Lifting sidewalks, caulking, and sealant: estimated cost \$2,500 (*awaiting further bids*)
2. Removal and replacement of parking lot: estimated cost \$110,000 (*awaiting further bids*)
3. ~~New basement ceiling lights and ceiling tiles (***work currently in progress***): materials and installation donated by parishioner — ***THANK YOU for the donation of your time and materials. Also, THANK YOU to those helping with this project.***~~
4. ~~Cleaning of outdoor sheds and reorganizing shed storage area. ***Work has been completed — THANK YOU to those who helped with this project.***~~
5. New lighting in the sanctuary and new electrical box.
6. Air conditioning unit repair or replacement.
7. Sound system update.
8. Any updates to rectory house and grounds.
