Wow what a Festival! What Teamwork! It was awesome! Words cannot adequately describe this year's Festival! Starting with the non-stop line of guests, our diehard customers who wish we did this monthly and the many new faces who just discovered this treasure trove of great food through Facebook! We were truly blessed with another early sellout Festival! The Parish Festival Committee gratefully acknowledges everyone's assistance and generosity with this year's Festival. Whether you came to pinch Perohi, roll dough or shred cabbage, we are grateful for your time and effort. If you came to help set up, clean up or offer advice, please know how much you are appreciated. If you were not able to help in any way but through your prayers – it was those very prayers that God heard.

Again, thanks for all your love and support for our beloved parish!
God Bless everyone!

It has been brought to our attention that Marie as of late is having difficulty removing grass from the rugs in the entrance vestibule. The grass becomes embedded in the microfibers of the rug's nap. We ask that you utilize the sidewalks (which are kept swept) when entering the church. Thank you for your help and consideration in this matter.
