Our Holy Mother Eudoxia

By Very Rev. Fr. Lawrence Farley

Eudoxia was originally from Asia Minor, where she was captured by the Persians and carried away to Persia. Being devout, she shared her faith with her Persian women friends. For this she was arrested, beaten with ox sinews, and thrown into prison. At her trial two months later, Eudoxia boldly confessed Christ. For this they beat her with thorn branches until her torn flesh fell to the ground. After another six months in prison, she was again brought before the judge. Since she continued her bold confession of Christ, they again beat her. After much torture, she was executed by beheading. Though dying in a foreign land, she finally entered her heavenly homeland and inherited the martyr's crown of glory. This happened in about 364.
